

NOTICE TO RACING PARTICIPANTS REGRADING- DISQUALIFIED PERSONS

THE JOCKEY CLUB OF SAUDI ARABIA (JCSA) REMINDS ALL RACING PARTICIPANTS OF THE RESTRICTIONS THAT APPLY TO PERSONS WHO HAVE BEEN DISQUALIFIED UNDER THE RULES OF RACING.

THE PURPOSE OF A PERIOD OF DISQUALIFICATION IS TO REMOVE A PERSON FROM PARTICIPATION AND INVOLVEMENT IN RACING FOR THE DURATION OF THE PENALTY IMPOSED. COMPLIANCE WITH THESE RESTRICTIONS IS A FUNDAMENTAL REQUIREMENT OF THE INTEGRITY AND DISCIPLINARY FRAMEWORK OF RACING.

During a period of disqualification, a Disqualified Person must not:

- Be employed by a Trainer.
- Enter licensed premises at any time. For the avoidance of doubt, any racing stable complex occupied by a licensed Trainer, or any lands of the JCSA is considered Licensed Premises for the purpose of this restriction.
- Be involved in any way with a horse subject to the Rules of Racing, unless otherwise directed by the JCSA.
- Serve as a JCSA Official.
- Act as an Authorised Agent. This includes attending horse sales and/or acting on behalf of another Trainer or Owner as their agent or representative at a horse sale.
- Enter, run, train or ride a horse in any race.
- Lease, or continue to lease, a horse they own to a third party without JCSA approval.

Participants are further reminded that:

- Any horse with which a Disqualified Person is involved may be suspended from racing.
- A Trainer must not train a horse owned by a Disqualified Person without permission from the JCSA.
- A Disqualified Person who enters restricted property during their period of disqualification may have their disqualification extended and may also be subject to an additional fine equal to the original penalty.

The Stewards intend to increase attendance and inspections at stables where a Disqualified Person is known to have previously trained or operated, for the purpose of ensuring that the Disqualified Person is not attending those premises or otherwise continuing to participate in the training or management of horses during their period of disqualification.
